Helping the Student with Diabetes Succeed
A Guide for School Personnel

The National Diabetes Education Program is pleased to send you the updated 2010 edition of “Helping the Student with Diabetes Succeed: A Guide for School Personnel.” The program is eager to learn how well the guide has met your needs. Once you have had a chance to review the contents, please take a few minutes to complete this feedback form and fax or mail it to the address below. We look forward to hearing from you.

How useful are each of these sections of the School Guide?

<table>
